ACRC - Cattle Breeders Association of Cachena

Herdbook responsible

AMIBA - Cattle Breeders Association of Barrosã

Herdbook actions and associative work

FERA - National Federation Autochthonous Breeds

President

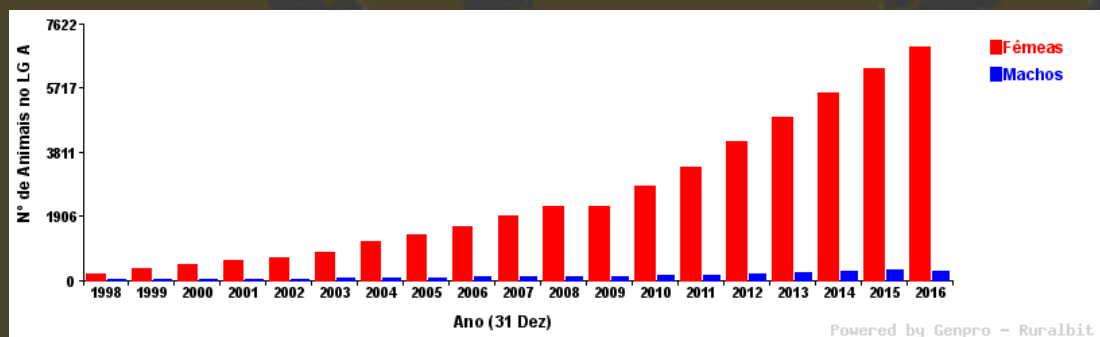

Rui Dantas

Portugal

- FERA is managing the only cattle semen collecting centre of Portugal allowed to collect semen for communitarian or extra-communitarian trades.
- Cachena cattle breed is now more protected from extinction and sustainable - with DOP

Portugal

ACRC (Cachena) – Nothing to declare...

AMIBA (Barrosã) – Nothing to declare...

FERA – We are already invited to the IMAGINE - *Innovative Management of Animal Genetic Resources* program that is developing synergies between **ex-situ** and **in-situ** conservation to **maximize resources for the future**
